A COMPANION VOLUME TO "COLLECTING SLOGAN POSTMARKS"
BY C R H PARSONS, C G PEACHEY & G R PEARSON

MARCH 2020

INTRODUCTION

During the years I ran the British Postmark Society Slogan Packet, many thousands of slogans passed through my hands. After Colin Peachey started publishing his *In Depth UK Slogan Postmark Listings* for all the towns using the slogan dies issued from 1960 to 1999 (which, although mostly out of print now, can be downloaded from the BPS website) I felt it might be useful to attempt to do the same with the pre- 1960 ones. The listings are from the slogans I have seen in the packet, amongst my collection, on eBay, and from BPS members and non-members kind enough to pass on information from their collections. For late 1950s slogans, I have used the lists compiled by BPS members in the early issues of the *BPS Quarterly Bulletin*. The War Bonds slogan list is based on R A Keneally's publication with additions from Malcolm Beer's *BPS Journal* listings (36/10 onwards) and other BPS members.

This list is to be used alongside *Collecting Slogan Postmarks* by Parsons, Peachey and Pearson. I am very grateful for Colin's support and for his permission to use the title and cover page design of his books.

I would like to update this listing regularly so would be grateful to receive photocopies or scans of any additions that you might have in your collection.

Thank you for your interest!
