## TREASURY WARRANT.

WHEREAS by an Act, passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," the Postmaster-General is authorized to charge on all letters conveyed by packet-boats between one part of Her Majesty's dominions and another part of the same dominions, and between Her Majesty's dominions and foreign parts where post communications shall be established, such rates of postage as the Commissioners of Her Majesty's Treasury, by warrant under their hands, shall from time to time direct:

Now we, the undersigned, being two of the Commissioners of Her Majesty's Treasury, do, in exercise of the power and authority in us for such purpose vested in and by the said Act, and of all other powers and authorities enabling us in this behalf, direct that on every letter not exceeding half an ounce in weight, transmitted by the post between any place in the United Kingdom and any port in Goree, Liberia, Lagos, Bonny, Old Calebar, Cameroons, and Fernando Po, on the coast of Africa, or between any ports in Goree, Liberia, Lagos, Bonny, Old Calebar, Cameroons, and Fernando Po, without passing through the United Kingdom (the sea conveyance of such respective letters being by packet-boat), there shall be charged and paid, in lieu of any rates of postage now payable thereon, a rate of postage of one shilling.

And we further direct that, on every letter transmitted as is mentioned in this warrant, exceeding half an ounce in weight, there shall be charged and paid progressive and additional rates of postage as follows; that is to say:

On every letter exceeding half an ounce in weight, and not exceeding one ounce in weight, two rates of postage.

On every letter exceeding one ounce, and not exceeding two ounces in weight, four rates of postage.

On every letter exceeding two ounces, and not exceeding three ounces in weight, six rates of postage.

And on every letter exceeding three ounces, and not exceeding four ounces in weight, eight rates of postage.

And for every ounce in weight above the weight of four ounces there shall be charged and taken two additional rates of postage; and every fraction of an ounce above the weight of four ounces shall be charged as one additional ounce, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum of one shilling.

And we further direct, that such printed newspapers as are hereinafter mentioned, may be sent by the post (the sea conveyance being by packet-boat), according to the regulations and rates hereinafter set forth (that is to say):

British or colonial newspapers from or passing through the United Kingdom to Goree, Liberia, Lagos, Bonny, Old Calebar, Cameroons, or Fernando Po, two pence each. Foreign or colonial newspapers from Goree, Liberia, Lagos, Bonny, Old Calebar, Cameroons, or Fernando Po to the United Kingdom or to Her Majesty's Colonies, or any foreign country, through the United Kingdom, two pence each.

British, colonial, or foreign newspapers between Goree, Liberia, Lagos, Bonny, Old Calebar, Cameroons, and Fernando Po (without passing through the United Kingdom), two pence each.

And we direct, that every printed supplement or additional sheet to any such newspaper, shall, for the purpose of charging the postage under this warrant, be deemed a distinct newspaper; unless sent in the same cover, or together with the newspaper to which it is a supplement or addition:

And we direct, that no such printed newspaper shall be sent by the post at the rate aforesaid, unless the following conditions shall be observed:

First.—It shall be sent without a cover, or in a band or cover open at the sides or ends.

Second.—There shall be no word or communication printed on the newspaper after its publication, or upon the cover thereof, nor any writing or marks upon it, or upon the cover of it, except the name and address of the person to whom sent.

Third.—There shall be no paper or thing enclosed in or with any such newspaper.

And in case any one of such conditions shall not be fulfilled, the whole paper or packet shall be charged with the letter rates of postage.

And we direct that nothing herein contained shall be deemed or construed to annul, prejudice, or affect any of the exemptions and privileges granted by the said recited Act of the fourth year of the reign of Her present Majesty, or by an Act, made and passed in the first year of the reign of Her present Majesty, intituled "An Act for the management of the Post-office," or by any Treasury Warrant issued under or by virtue of the said first-mentioned Act.

And we direct, that the several terms and expressions used in this warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act, passed in the fourth year of the reign of Her present Majesty.

And we further direct, that this warrant shall come into operation on the tenth day of September one thousand eight hundred and fifty-two.

Provided lastly, and we do hereby declare and direct, that it shall be lawful for the Commissioners, for the time being, of Her Majesty's Treasury, or any two of them, by warrant under their hands, at any time hereafter to alter or repeal any of the rates hereby fixed or altered, or the regulations hereby made; and to make and establish any new or other rates or regulations in lieu thereof, and, from time to time, to appoint at what time the rates that may be payable are to be paid.
