

AIR MAIL SERVICES IMPERIAL & FOREIGN

FEBRUARY, 1947

G.P.O. LONDON, E.C.1

SECTION I—GENERAL INFORMATION

Foreword. This leaflet supersedes previous editions of the Air Mail Leaflet and Supplements. Particulars of the air mail services to Europe and countries outside Europe are given in Sections II and III. A standing order may be placed with the local Head Postmaster for subsequent editions of this leaflet to be supplied by post as and when published. The air mail services are subject to frequent change without notice, and particulars of alterations which occur between the issue of successive editions of this leaflet may be obtained at any post office.

Posting Particulars of the latest times of posting of unregistered air mail correspondence given in this leaflet are applicable at the Head Post Office, London, E.C.1. For latest times of posting elsewhere inquiry should be made at the local Head or Branch Post Office.

Services to H.M. Forces. Special facilities are available for sending correspondence by air to members of H.M. Forces overseas. Particulars may be obtained on inquiry at any post office.

Service Conditions. Second class mail (printed papers and so on) intended for air transmission must be prepaid at the appropriate letter rate for the service intended. The regulations applicable to the letter post service to particular countries which are given in the Post Office Guide, apply also to air mail correspondence except that such correspondence can in no case be accepted for insurance. Where restrictions as regards limits of weight and registration facilities are in force particulars are shown in the first column. A blue air mail label, obtainable free of charge at any post office, must be affixed at the top left corner on the address side to each air mail letter or postcard; alternatively, the indication *By Air Mail* may be written boldly in the same position; but the absence of an air mail label may lead to delay. The name and address of the sender should appear on the back of the cover.

Air Letters may be sent to those countries against which a postage rate is shown in the appropriate column in Section III. They must be written on the special air letter form obtainable at post offices, or on privately manufactured forms bearing an indication that they have been approved by the Postmaster General: enclosures are not permitted.

SECTION II—EUROPE

Rate of Postage. Letters 5d. for the first ounce; 3d. for each additional ounce.

Postcards 2½d. each.
