NNB Generation Company Limited

THE PROPOSED HINKLEY POINT C

(NUCLEAR GENERATING STATION) ORDER

**PLANNING INSPECTORATE APPLICATION REFERENCE:
EN0110001**

NOTICE OF AVAILABILITY OF FURTHER MATERIAL

An application for a development consent order under the Planning Act 2008 (the "Application") was made by NNB Generation Company Limited (referred to throughout the Application as "EDF Energy") of TheQube, 90 Whitfield Street, London W1T 4EZ on 31 October 2011 and accepted by the Infrastructure Planning Commission ("IPC") on 24 November 2011 (application reference: EN010001). The examination functions of the IPC have now passed to the Planning Inspectorate.

The Application seeks authorisation for the construction and operation of a nuclear power station with two nuclear reactors capable of generating a total of up to 3,260MW of electricity at Hinkley Point C ("HPC"). HPC is located on the northern Somerset (Severn Estuary) coast, 25 km to the east of Minehead and 12km to the north-west of Bridgwater, immediately to the west of the existing nuclear power stations at Hinkley Point A and Hinkley Point B. HPC will comprise a range of buildings, as well as seabed and sub-surface structures and related facilities. To support the construction and operation of HPC, associated development is proposed in Bridgwater, Williton, Cannington, Combwich and Junctions 23 and 24 of the M5 motorway. Highway improvements at 11 sites are also proposed.

At the Issue Specific Hearing of 14 August 2012, EDF Energy made it known that it would be providing updated plans to the Planning Inspectorate on 17 August 2012. The updates consist of some proposed minor changes to the Application within the application site boundaries relating to three proposed highway improvement schemes (at Huntworth Roundabout, Wylds Road/The Drove Junction and A39 Broadway/A38 Taunton Road Junction), two proposed site accesses (at Bridgwater A and Cannington Park and Ride) and minor design changes to the proposed Cannington bypass, as a result of design development following further discussions with Somerset County Council.

The Panel is now considering whether it will accept the proposed changes to the application, as mentioned in the paragraph above. If accepted, this material will be available to view online at the HPC project page of the Planning Inspectorate's website at:

NOTE: [This note is not part of the Scheme]

The Scheme that follows this Note is made under Section 89 of the Postal Services Act 2000 (as amended by the Postal Services Act 2011). This Scheme will come into force on 24th Sept 2012 and provides for delivery to neighbour as well as setting out more clearly what will happen to an item that cannot be successfully delivered first time. This Scheme is made by modifying the SUCCESSOR POSTAL SERVICES COMPANY INLAND LETTER POST SCHEME 2001 (AS AMENDED) by making the changes set out below. A consolidated version of the new Scheme is available on Royal Mail's website (www.royalmail.com).

THE ROYAL MAIL SCHEME FOR INLAND LETTERS SEPTEMBER 2012 ("SCHEME")

Publication made.....24th August 2012
Coming into operation.....24th September 2012

Royal Mail Group Limited^a by virtue of the powers conferred upon it by Section 89 of the Postal Services Act 2000^b and of all other powers enabling it in this behalf, hereby modifies of the SUCCESSOR POSTAL SERVICES COMPANY INLAND LETTER POST SCHEME 2001 (AS AMENDED) by replacing sections of that Scheme with the text set out below to make the ROYAL MAIL SCHEME FOR INLAND LETTERS SEPTEMBER 2012. All other sections of the SUCCESSOR POSTAL SERVICES COMPANY INLAND LETTER POST SCHEME 2001 (AS AMENDED) are translated intact into the new ROYAL MAIL SCHEME FOR INLAND LETTERS SEPTEMBER 2012.

To replace the following section 1 in its entirety with the wording as follows.

1. COMMENCEMENT, REVOCATION AND CITATION

1.1 This Scheme was made under Section 89 of the Postal Services Act 2000 (as amended by Schedule 12 of the Postal Services Act 2011) ("Section 89"). This Scheme is effective from 24th September 2012.

1.2 Under Section 89 a postal operator may make a Postal Scheme in relation to postal services provided by them. However it is a requirement that a postal operator making a Postal Scheme under Section 89 does so in accordance with regulatory obligations which are set out in Section 89A.

1.3 The regulatory obligations as set out in Section 89A have been met and accordingly this is a new Scheme which shall be known as the Royal Mail Scheme for Inland Letters September 2012 ("Scheme").

To replace the existing section 8 within Part 2, General Conditions with the text set out below

8. DELIVERY INCLUDING UNDELIVERABLE AND RE-POSTED (RETURN TO SENDER) LETTERS

8.1 Royal Mail will attempt to deliver Letters that meet the conditions set out in this Scheme.

8.2 Some Letters require a signature at the point of delivery and some are too large to fit through a letterbox. In these situations someone needs to be present at the address to take delivery of the Letter.

8.2.1 If no one is available Royal Mail may attempt to deliver the Letter to a Neighbour. Please note that Royal Mail will not attempt to deliver^c a Letter to a Neighbour if it is a Letter sent by the Special Delivery product or if it is sent using a service covered by this Scheme and is:

- 8.2.1.1 an electoral Letter or
- 8.2.1.2 Social Security Post.

8.2.2 If a Neighbour is available to take delivery of the Letter Royal Mail will leave the Letter with that Neighbour and leave a card at the address that the Letter was addressed to. That card will inform the addressee (or their Representative) that a Letter is (or Letters are) being held by a Neighbour for them and provide the address details for that Neighbour and the date and time that the Letter was left with the Neighbour.

8.2.3 If an addressee does not want their items to be delivered to a neighbour or does not want to take items for neighbours they can opt out of the Delivery to Neighbour service, free of charge, by registering

their wish to opt out in such a way as Royal Mail may reasonably require from time to time.

8.2.4 If a Neighbour is not available to take delivery of the Letter, or the addressee has opted-out and does not want their items to be delivered to a neighbour or to take items for neighbours, Royal Mail will take the Letter back to the Delivery Office or an alternative location such as a Post Office. Royal Mail will leave a card at the address that the Letter was addressed to.

8.2.5 The card that is left at the address will inform the addressee (or their Representative) that Royal Mail attempted to deliver a Letter or Letters and will offer the addressee (or their Representative one or more of the following opportunities:-

8.2.5.1 to request that the Letter be redelivered to the same address,
8.2.5.2 to request that the Letter be redelivered to an alternative local^d address. Please note that this option is not available with Special Delivery Letters, electoral Letters or Social Security Post,

8.2.5.3 to collect the Letter from the Delivery Office or the alternative location such as a Post Office to which the Letter was taken back to,

8.2.5.4 to request that the Letter be sent from the Delivery Office or other location (other than a Post Office) to a Post Office for collection for which a fee may be payable.

8.3 Royal Mail may decide not to deliver a Letter which it considers impracticable or unreasonable to deliver. Such a Letter is referred to in this Scheme as undeliverable. Royal Mail may consider a Letter to be undeliverable if:

8.3.1 following a failed first delivery attempt the addressee has not taken advantage of any of the opportunities set out in 8.2.5, within the advertised time period;

8.3.2 following a first failed delivery attempt, Royal Mail is required by law to return a letter immediately to the Sender (e.g. Royal Mail's obligations in relation to Social Security Mail);

8.3.3 it is of the opinion that the address is unsafe or insecure or if no delivery point has been provided, or if access to the delivery point has been prevented or impeded;

8.3.4 it is of the opinion that the address to which the Letter is to be delivered is not permanently occupied;

8.3.5 the Letter is not fully and correctly addressed in a manner which includes all the elements of the postal address (including the full postcode), written clearly on the front or on a label securely attached to the front of the cover or envelope (or otherwise in a manner such that the address is clearly visible in its entirety as if it had been written on the front of the Cover or envelope),

8.3.6 it is of the opinion that the health and safety of any individuals may be put at risk; or

8.3.7 it is of the opinion that the address is illegible; or

8.3.8 for any other reason, Royal Mail forms the opinion that it is impracticable or unreasonable to deliver the Letter.

8.4 Where a Letter is undeliverable and:

8.4.1 the Sender's name and address in the United Kingdom, the Channel Islands or the Isle of Man are legible on the Cover or envelope, Royal Mail may return the Letter to the Sender unopened;

8.4.2 the Letter was originally posted as a Franked Letter or was purchased on account and the Sender's name and address are (a) not on the Cover or envelope, or (b) they are illegible, or (c) the Sender's name and address are on the Cover or envelope but the address is outside the United Kingdom, the Channel Islands or the Isle of Man, then the Letter may be dealt with or disposed of at the discretion of Royal Mail;

8.4.3 the Letter was not originally posted as a Franked Letter or purchased on account and the Sender's name and address are (a) not on the Cover or envelope, or (b) they are illegible, then the Letter may be opened. If the name and address of the Sender are inside, the address is in the United Kingdom, the Channel Islands or Isle of Man, and the Letter does not consist solely of advertising material, newspapers or magazines, then the Letter may be returned to the Sender. Otherwise the Letter may be disposed of at the discretion of Royal Mail.

8.5 Section 8.4 does not apply to an electoral Letter. If such a Letter is undeliverable, Royal Mail may:

8.5.1 if the Sender's name and address in the United Kingdom, the Channel Islands or the Isle of Man are legible on the Cover or envelope, return it to the Sender unopened; or

8.5.2 if the Sender's name and address are not on the Cover or envelope, or if the Sender's address is not in the United Kingdom, the Channel Islands or the Isle of Man, or if they are illegible, the Letter may be dealt with or disposed of at the discretion of Royal Mail.

8.6 Royal Mail will not charge any additional postage or fee for returning an undeliverable Letter but the Sender may have to pay any other fees that apply (such as custom charges or surcharges). If any applicable fee is not paid, the Letter may be dealt with or disposed of at the discretion of Royal Mail.

8.7 Royal Mail may, at its discretion, return a Letter to Sender from the delivery address as a Return to Sender item, if it is re-posted by the Addressee or any other person for any reason and the return address is written correctly and legibly on the Cover or envelope and is an address in the United Kingdom, the Channel Islands or the Isle of Man.
