There are reduced rates for second and subsequent items sent at the same time to the same numbered district.

Payments can be made by Meter Frank, stamps, account or cash. If you wish to open an Expresspost account please complete and return the enclosed account form. You may use an unstamped envelope sent to the Freepost address given on the reply card. We can only accept cheques in settlement of accounts.

We can deliver your items to Red Star acceptance points and, because we have an arrangement with British Rail, we can collect your package from a Red Star depot.

Several major cities and London (Heathrow) Airport are linked by Expresspost to provide same day collection and delivery from and to London. Details are shown on the following pages.

The normal size and weight limits are: 1.5 kg (3.3 lbs) and 380 x 255 x 100 mm (15 x 10 x 4 ins). By arrangement however we may carry larger and heavier items.

On delivery we record the time and obtain a signature of receipt.
